BHR understands that emergencies can arise. However, if you register for a training, please make every effort to attend. Our trainings fill up quickly and we often have waiting lists of individuals hoping for an opportunity to attend. If you must cancel, please contact us at the email address above or (314) 628-6229 to reschedule ASAP.

You will be sent a registration confirmation via email upon receipt of your registration form and a welcome letter will arrive via email a few days before your training date. On rare occasions, a training has been cancelled due to inclement weather or not meeting the minimum number of participants. In the event of a cancellation, every effort will be made to contact you and email will be our primary method of contact. Please keep this in mind when completing your registration form. We will also post any cancellation notices on our trainings web page. As your training date approaches, please monitor BHR's training web page at <http://bhrstl.org/trainings-offered-2/> for training updates.

While a few of BHR trainings are FREE, courtesy of grant funding, the ASIST training is not. Registrations can be emailed in advance to trainings@bhrworldwide.com to hold your place open. Your payment must be received one week prior to your training date or your name will be dropped from our roster to allow others to register.

Check for \$199 is attached. Receipt of reservation fee assures attendance in workshop.
